

# INTRODUCTION

## LAND NORTH OF BRISLANDS LANE, FOUR MARKS

### **Welcome to our exhibition for the proposed residential development of land north of Brislands Lane, Four Marks.**

At today's event you will be able to view and comment on the differences between the scheme we originally consulted on last year and the application we have now submitted to East Hampshire District Council. We also seek your views on the revised site plan we have prepared and intend to submit to the Council shortly, following recent discussions we have held with the Planners.

The Council has confirmed that it will now accept comments on the application until 4 November, in order that local people have an opportunity to comment on the plans that are being displayed here today.

We are keen to know your thoughts and encourage you to complete one of the feedback forms available today or return via the Freepost envelopes provided by 13 October 2011. All responses received will be analysed and feedback provided in an addendum to the Statement of Community Involvement that was submitted to the Council as part of our planning application.
