Dear Mr Thomas

LAND NORTH OF BRISLANDS LANE, FOUR MARKS

I write regarding the outline planning application (ref 52501/001) we have submitted on behalf of our clients, Persimmon Homes (South Coast) Ltd for the residential development of the above site.

As you are aware, since the submission of the planning application, a number of letters have been printed in the Alton Herald claiming that local residents have not been consulted on the proposed scheme. In response to these, we prepared and issued a letter to the Alton Herald setting out the extensive consultation that has taken place with regards to proposals for the development of the site.

Notwithstanding the above, our clients are prepared to hold a further community consultation regarding the proposed scheme. At the time of writing, we are intending to hold the community consultation during the week commencing 3 October. The intention of this consultation will be to explain the differences between the (130 unit) scheme that was the subject of the original community consultation in July last year and the proposed (111 unit) scheme.

I will let you know when the date for the community consultation has been confirmed. In the meantime, please do not hesitate to contact me should you have any queries.

Yours sincerely,

JEREMY HIGGINS MRTPI
